RE: Budget Workshops

For the Agenda of April 19, 2010

Background. We will hold the second of four scheduled budget workshops at the April 19th Commission meeting to present the proposed 2010/2011 budget to the City Commission; the Commission is required by Charter to adopt the budget at the first scheduled meeting of June (this year that is June 7th).

Chief Miedzianowski and Amanda Green are scheduled to present their respective portions of the budget on Monday evening.

I reiterate that the proposed budget presentations are in draft form. We strongly encourage the City Commission to ask questions regarding the proposed budget and offer any guidance they believe appropriate at this and the remainder of our scheduled budget workshops.
