

## AGENDA REPORT

TO: Mayor & City Commission  
FROM: Ken Hibl, City Manager  
DATE: June 2, 2010  
RE: Single Lot Assessments

For the Agenda of June 7, 2010

Background. On an annual basis, the City Staff prepares a single lot assessment roll for various, miscellaneous charges (e.g., unpaid utility fees, mowing fees, etc.) that have not been paid by respective property owners and submits the roll to the City Commission for its consideration and approval, thereby allowing these charges to be included on the tax bills of the respective parties.

The 2010 Single Lot Assessment Roll (*copy att'd*) has been prepared; public notice (*copy att'd*) has been made; and all property owners listed on the Roll have been notified by first class mail regarding the roll and the scheduled public hearing to hear comments related to the Roll. To date the City has received no written comments related to the Roll.

The City Commission is now asked to conduct the scheduled public hearing and consider approving the assessment roll with the charges for each single lot to allow the Treasurer to have the charges placed on the respective property owner's tax bill.

Issues & Questions Specified. Should the City Commission hold the hearing and approve the assessment roll?

Alternatives.

1. Hold the hearing and approve the roll.
2. Hold the hearing and approve the roll with amendments.
3. Do not hold the hearing, thereby flawing the assessment process and, in essence, disapproving the assessment roll.
4. Set the matter aside for further consideration and/or discussion at a subsequently scheduled meeting.

Financial Impact. Initiation of the process for a Single Lot Assessment will allow the City to recoup the expenses, fees, and charges (\$1,298) from the property owners listed on the Assessment Roll. All of these charges are for failure to mow grass and weeds; the City paid a contractor from its General Fund for the cost of services to mow the tall grass and weeds.

Recommendation. I recommend that the City Commission approve by motion the conduct of a public hearing to hear objections to the proposed assessment roll and subsequently approve – or approve with amendment, as appropriate – the assessment roll by adoption of the Resolution 2010-0061 (*copy att'd*).
