RE: Recognition – Mr. Gary Gilbert

For the Agenda of December 07, 2009

Background. Mr. Gary Gilbert is the retiring Executive Director of the MidMichigan Community Action Agency. The City has enjoyed a phenomenal relationship with Gary and his organization. MMCAA is hosting a retirement function for Mr. Gilbert on December 11th. The City Commission is asked to consider approving a resolution honoring Gary for his service to our community that can be presented at the retirement function.

Issues & Questions Specified. Should the City Commission formally recognize and honor the service of Mr. Gary Gilbert?

Alternatives.

1. Formally recognize his service.
2. Do not formally recognize his service.
3. Defer/delay decision of this matter to a subsequently scheduled City Commission meeting.

Financial Impact. The cost to the City is approximately \$10 (the cost of a memento, a framed resolution, and a certificate).

Recommendation. I recommend that the City Commission formally recognize the service of Mr. Gary Gilbert by adoption of Resolution 2009-122.

Attachment. None – we are awaiting information from MMCAA regarding Gary's tenure of service to allow completion of the Resolution; we intend to provide the resolution to the Commission Monday evening if we receive the needed information by meeting time.
